

Name	Department	Marks	Gender
Alice Smith	Engineering	88	Female
Bob Jones	Marketing	72	Male
Clara Zhou	HR	91	Female
Dan Patel	Sales	64	Male
Eva Lopez	Engineering	77	Female

The quarterly performance review highlights a consistent growth in the Engineering department, with an average improvement of 12% over the last two quarters. Employee engagement initiatives seem to have positively impacted overall productivity. The HR department also reported higher retention rates this quarter, attributed to new training and mentoring programs introduced in early January.
